## ORGANIZATIONAL EXPERIENCES

### **Aayushmaa, Founder Mar 2018- till date**

Managing the complete category for ethnic-wear including planning, product management, vendor management, and category management. Creating and managing the product mix for the category, including product development, sourcing, and quality control.

### **Aauraa International, Sr. Manager Nov 2016- Mar 2017**

My responsibilities include Liaising with departments to discuss their requirements and ensuring that these are met, Monitoring production to identify any issues which could impact on the quality or quantity of the product, Managing a team of production staff, ensuring that they are trained and motivated, Organising the efficient dispatch of finished products, Implementation of Storyboard ERP in factory, Managing health and safety in the workplace and Investigating and resolving customer complaints.

### **Paytm, Team Lead Aug 2015-Oct 2016**

I was responsible for the quality operations of kids wear segment of the east India region and have successfully achieved a complaint rate of below 5%. My duties include Audit of RPC, SEED, merchant audits, and reconciliations.

### **Ess Ell Sourcing Co, Sr merchandiser Dec 2013- Mar 2015**

My role was to manage the buying house merchandising activity (production follow-up to shipment) for women's wear category and home textile. Major clients included Hallmark INC, Susie Watson & Design UK, and Creative Design HK.
